

UV-LAMPS

Supplier of Bulbs for any type of System

EFSEN UV & EB TECHNOLOGY supplies UV lamps of the highest quality at the lowest operational costs.

We carry a large stock of standard lamps for systems such as Bürkle, Superfici, Cefla, Nilpeter, IST, Giardina, Hackemack, Eltosch and many others.

To identify your lamp you fill out as much as possible on the specification form below. Then we guarantee to offer the right lamp to be delivered as quickly as possible. You are also welcome just to contact us by phone or e-mail and we will help with the lamp identification.
